OFFICE OF THE SECRETARY, STORES PURCHASE COMMITTEE, "UNITED INDIA" BUILDING, BANGALORE.

Dated 2nd July 1946.

To

The firms dealing in Electrical Material.

Enquiry No. 7003—E.D. 917.

Portable phase shifter for Electric Laboratory.

Gentlemen,

No. S. P. C. 28590—619. I request you to be so good as to intimate your best present day price and the earliest time of delivery for the portable phase shifter specified below :—

Item 1 :—1 Portable Phase Shifter with hand wheel and regulator indicating scale, 400-500 V.A. capacity, suitable for 115/230 cycles, 3-phase, 110 : 110/220 : 220 V. or 115 : 115/230 : 230 V. capable of carrying 5 amps. continuously on either side and establishing any power factor between zero lag, Unity Zero Lead.

tem 2 :—1 Similar to item No. 1 but for 50 cycles.

The phase shifters are required for testing single and poly-phase Watthour Meters and for the calibration of Power Factor Meters and to secure any desired power factor adjustment. The phase shifters are to be similar in construction to a polyphase Induction Motor having a stator and rotor. The rotor should not revolve continually or spin as in a motor, but should be capable of being rotated and held stationery in any position. A graduated scale to indicate the P. F. between zero lead, Unity and zero lag in one degree steps is also to be provided. The phase shifters should be capable of being set to any Power Factor on the scale and remain unaffected, while conducting tests by the intensity of lead current.

Both the primary and secondary circuits of the phase shifter are to be connected to binding posts on a terminal plate mounted on top of the phase shifter. From the terminal plate the supply current enter the primary coils by means of brushes and collector rings while the secondary coils are wound on the stator and deliver their current to binding posts on the terminal plate.

The phase shifter is to be mounted in a nicely finished hard wood case with cover and carrying strap. The operating crank be capable of being removed and placed inside when not in use.

The phase shifter should be furnished with a terminal arrangement so that it may be used as a polyphase induction regulator also.

Your quotation must be accompanied with descriptive literature of the material offered without which no quotation will be considered. The materials should fully conform to the latest B.S.S. or A.I.E.E. standards.

The latest type of phase shifters may be offered fully describing the type offered giving complete specifications and operational features.

Your quotation should be submitted in duplicate superscribed as "Quotation for Portable Phase Shifter" so as to reach this office not later than 17th August 1946.

By Order,
D. MUNISWAMY,
Secretary to the Public Service Commissioner.

Notification dated 12—13th July 1946.

P. S. C. Applications are hereby invited for a probationer in the Government Printing Office candidates who are natives of Mysore by

person acquires a domicile in Mysore when he has habitation of himself and his family therein, nor for any other purpose, but with the present intention of making it his home. A continued residence for five years shall be deemed to have acquired a domicile.

Certificate from a Gazetted Officer of the Mysore Government that the candidate is native of Mysore by birth or domicile for application.

2. The minimum qualification required for the post is B.E. degree in Mechanical Engineering of the Mysore University or of any other recognised University.

3. Applications should be in the form annexed and addressed to the Public Service Commissioner for Mysore by official designation (not by name) and should reach his office on or before the 1st August 1946. Candidates already in service should submit their applications through their official superiors.

4. No applications from candidates who are over twenty-eight years of age in the case of Backward Communities and twenty-five years in the case of others as on 1st August 1946 will ordinarily be entertained. A copy of the original horoscope of the applicant or baptismal certificate or a declaration as to his age sworn to before a magistrate and attested by him should accompany his application.

5. Each application should be accompanied by copies of character certificates from two gentlemen of recognised standing and also from Head of the Institution from which the candidate took his degree.

6. Candidates are warned against attempting to approach, either directly or through relatives and friends, any of the members of the Committee appointed to make a selection from among the candidates. The applications of candidates resorting to such a practice will be summarily rejected.

7. The selected candidate will be required by the Head of the Department to produce medical certificate from a Surgeon, or from a District Medical Officer as to his fitness for the active duties of an executive officer. He will be on probation and under training for a period of two years during which period he will draw a pay of Rs. 80 per mensem and will be required to pass the necessary examinations in printing and allied subjects.

8. The original certificates should not be sent. The copies of the certificates required will not also be returned.

B. S. PUTTASWAMY,
Public Service Commissioner.

Signature of the Candidate.

Notification dated 18th July 1946.

No. 228—P. S. C. Applications are invited from Science Graduates in the form appended hereto for admission to the Mysore Forest Ranger School which will be started from about 5th August 1946 for training of candidates with a view to their subsequent employment in the Forest Department.

The applicants must be Mysoreans by birth or domicile and should have passed the B.Sc. degree examination of the Mysore University or an equivalent examination of any other recognised University, preferably with Botany and Chemistry as their optional subjects.

The applicants should not be more than 25 years of age in the case of Brahmin candidates and 28 years in the case of Backward Community candidates.

The course of instruction will extend over a period of 20 months classified into Head Quarter and Field Terms.

During the Headquarter Term, Classes will be held in the Forest Research Laboratory, Bangalore.

Practical Instruction during the Field Term will be given in the Forests of Shimoga and Mysore Divisions. Excursions will also be arranged now and then during the Headquarter Term. These tours may involve an expenditure of Rs. 20 to 30 p.m. on average.

Candidates have to bear all the expenses incidental to the training, which including tour expenses would come to about Rs. 1,000 for the entire course. They will however be granted during the period of training stipends of Rs. 25 p.m. each subject to the usual conditions of satisfactory progress and conduct.

No tuition fees will be charged. Only true copies of the following certificates should be enclosed to the applications for admission to the School, which will not be returned. Original certificates should be produced by the applicants before the Selection Committee if required.

- 1 Certificate of age.
- 2 True copies of certificates of examinations passed.
- 3 Certificate of Physical fitness issued by a Medical Officer not below the rank of an Assistant Surgeon, with particular reference to the capacity of the applicant to withstand rigours of forest life and to the fact that he bears marks of successful vaccination or of small-pox.
- 4 Certificate bearing dates not earlier than 1st May 1946 from two Gazetted Officers—one of whom should be the Principal or the Head of the Institution in which the applicant last studied or the Head of the Department in which the applicant is serving regarding the social standing and character of the applicant.
- 5 Certificate from a Gazetted Officer to show that the applicant is a Mysorean by birth or domicile.

Applications should reach the Public Service Commissioner for Mysore, Bangalore on or before the 30th July 1946. Applications of those already in service should be sent through their official superiors.

Applicants have to appear before the Selection Committee when they are called for interview at their own cost.

Such of the candidates as will come out successful in the examination to be held after the period of training is over, will be appointed as Rangers on Rs. 50 p.m. or as I Grade Foresters in grade Rs. 35—2—45, as vacancies become available but it should be distinctly understood that appointments are not guaranteed.

Within ten days after selection, the selected candidates will be required—

(1) To furnish security to the satisfaction of the Chief Conservator of Forests in Mysore in regard to their being able to meet the entire expenses on account of the training (over and above the stipend that will be given to them by Government) from their private sources.

(2) To execute agreements binding themselves to serve the Mysore Government in any appointment that may be offered or not less than five years after successfully completing the

course of training and in the alternative to refund the total amount of stipend drawn by them from Government.

N.B.—This penalty is also applicable to the candidate who is removed from the School for misconduct or for unsatisfactory progress at the School or drops out on his own accord.

B. S. PUTTASWAMY,
Public Service Commissioner.
